FREQUENTLY ASKED QUESTIONS

How do I send a Bunk Note (one-way email) to my camper?

Follow the instructions above except, after registering, simply sign in and click on the Bunk Notes button. Enter your camper's name, select the correct cabin, type your message, and hit the "Send" button.

Why are you switching from your old system?

There are two main reasons we are switching to a new system - the first is security. With Bunk1's services, we can better track who sends messages to campers. *The second reason we are switching is so that we can focus our staff resources on providing an enriching experience for your camper, and not sorting e-mails. In recent years the volume of e-mails has steadily increased, using up more and more staff time and camp resources to handle. While we encourage the communication between you and your camper, we thought it best to move to a system that would make it easier for us to manage the incoming e-mail. We appreciate your assistance in helping to support this new system*

Why do I have to pay to send Bunk Notes (one-way email)?

Each morning, the Bunk Notes system bundles and sorts the messages for us to print out and distribute to campers. It also protects us from computer viruses and allows us to easily manage these emails. Your payment helps us cover the cost of the system, paper, ink, and labor and, more importantly, frees us to do what we do best - be with your kids! Bunk Note credits cost \$1 each and are purchased in packs of various sizes.

Can other relatives use these services?

Certainly. Once you have set up your account, you will be able to invite other people to access these services.

What do I do if I lost my username and password?

You can get it online by going to www.Bunk1.com and clicking on the link "Lost Your Password?" (to the left of the page below the sign in button). You will receive an email with your username and password within a few minutes.
